Memo to Warwick H. Downing
H. C. Bretschneider
Rullell H. Volk
Clark F. Barb
John K. Cronin

The enclosed is a copy of the suggested order submitted by the Sinclair Oil and Gas Company, to be issued for the West Padroni field, referred to as the "Parke Field" in the application. The Sinclair at the Hearing suggested that they would appreciate having the Commission issue the Order as suggested by them.

Your comments will be appreciated. Please let me have your reactions as soon as possible so that the Order may be prepared for issuance.
