

BEFORE THE OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

IN THE MATTER OF THE INVESTIGATION TO TAKE      ¶  
MEASURES TO PREVENT WASTE OF OIL AND GAS      ¶      CAUSE NO. 9  
IN THE WALKER FIELD, LOGAN COUNTY, COLORADO      ¶

NOTICE OF HEARING

TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

On July 7, 1952, the Commission issued its Order No. 9-1 covering an area designated as the Walker Field, which order was amended by Order No. 9-2, leaving the area in the Walker Field, Logan County, Colorado, as follows:

Township 9 North, Range 53 West, 6th P.M.

|                             |                 |
|-----------------------------|-----------------|
| Section 16: All             | Section 20: All |
| Section 17: E $\frac{1}{2}$ | Section 21: All |

Said orders established 20-acre spacing for the production of oil and gas from the "J" Sand, with the permitted well to be located in the center of the southeast ten acres and northwest ten acres of each quarter quarter section. Subsequently, Order No. 40-1 (Mount Hope-East Field) established 40-acre spacing for the "D" Sand reservoir in the W $\frac{1}{2}$ , W $\frac{1}{2}$ SE $\frac{1}{4}$  and SE $\frac{1}{4}$ SE $\frac{1}{4}$  of Section 20, and S $\frac{1}{2}$ S $\frac{1}{2}$  of Section 21 of said township and range.

It has come to the attention of the Commission that, in light of technological developments, such orders may be cumbersome in the drilling of future wells, and that drilling and development operations hereafter conducted upon the lands above described, regardless of the projected depth, should perhaps be in accordance with the provisions of Rule 316 of the Rules and Regulations of this Commission, with an exception to the provisions of said Rule 316 allowed for all wells presently located upon said lands; and that consideration should therefore be given to the vacating of said Orders No. 9-1 and No. 9-2 covering operations in the Walker Field.

NOTICE IS HEREBY GIVEN, that, upon its own motion, the Commission has set the above entitled matter for hearing on:

DATE:      Tuesday, December 14, 1965

TIME:      10 a. m.

PLACE:      Room 132, State Services Building  
                 1525 Sherman Street  
                 Denver, Colorado

Pursuant to said hearing in the above entitled matter, at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operation of said field, and to carry out the purposes of the statute.

IN THE NAME OF THE STATE OF COLORADO.
