Ben,

For the River Bluffs, I need to know if Bayswater has the mineral lease for the W2NW of Sec. 13 T6N R68W because our BH is only 1 foot from the mineral lease line. I have the lease that Bayswater holds for the subject which is Sec. 13 T6N R68W E2NW,W2NE but I need to be able to add language to the comments if we hold the lease in the W2NW or not to prove we are not encroaching upon someone else's minerals.
