Pursuant to the following Colorado Oil and Gas Conservation Commission Rule(s):

**318A.a. and 318A.c.**

Colorado Oil and Gas Conservation Commission Rule 318A.a. designates five "drilling windows" per quarter section of land in the Greater Wattenberg Area (GWA) – 400'x400' boxes in the center of each quarter/quarter section, and an 800'x800' box in the center of the quarter section.

As the surface owner(s), I understand that the above-captioned well location(s) fall outside of those drilling areas and are greater than fifty (50) feet from an existing well, and consent to those location(s) as planned. I hereby waive any requirements to comply with COGCC Rule 318A.a. and 318A.c. for the above-captioned well(s).
