Section 3, Township 5N, Range 67W
API No. 05-123-36122

Dear Mr. Chesson:

As per *COGCC Rule 318A.e.(4)*, baseline water well sample testing is required prior to drilling the first interior infill well or boundary well within a governmental section. COGCC stamped the drilling permit for the subject well, requiring Kerr-McGee Oil & Gas Onshore LP (Kerr-McGee) to conduct water sample baseline testing in Section 3, Township 5N, Range 67W.

Water well sampling for Section 3, Township 5N, Range 67W could not be completed, as the landowner did not respond to sampling requests (phone calls and certified access letter). Based on these findings, Kerr-McGee is requesting a determination of NOT REQUIRED. If you agree, please sign and date the bottom of this letter and return it to me. Please contact me at 720-929-6726 if you have any questions regarding this information.

Very truly yours,
KERR-McGEE OIL & GAS ONSHORE LP
