**NOTICE OF HEARING  
BEFORE THE OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO  
CAUSE NO. 222**

IN THE MATTER OF THE PROMULGATION  
AND ESTABLISHMENT OF FIELD RULES TO  
GOVERN OPERATIONS IN THE WATTENBERG  
FIELD NIOBRARA-CODELL FORMATION,  
WELD COUNTY, COLORADO  
TO ALL INTERESTED PERSONS AND TO WHOM IT MAY  
CONCERN:

On December 19, 1983, the Commission authorized Order No. 407-1 to be issued which, among other things, established 80 acre drilling and spacing units for the production of oil and/or gas from the Codell formation underlying certain lands in Adams, Boulder, Jefferson, Larimer and Weld Counties, Colorado. The units consist of the W $\frac{1}{2}$  and E $\frac{1}{2}$  or the N $\frac{1}{2}$  and S $\frac{1}{2}$  of a governmental quarter section with the permitted well located in the center of a quarter-quarter section with a tolerance of 200 feet with the option to drill an additional well in the undrilled 40-acre tract.

On July 10, 1984, Universal Oil & Gas, Inc., by its attorneys, filed with the Commission an application for an order establishing 80-acre drilling and spacing units for the production of oil and/or gas and associated hydrocarbons from the Niobrara formation underlying the following described lands in Weld County, Colorado, to-wit:

**Township 5 North, Range 66 West, 6th P.M.  
Section 30: W $\frac{1}{2}$   
Section 31**

**Township 5 North, Range 66 West, 6th P.M.  
Sections 24, 25, 36**

and further that the drilling and spacing units and permitted well and existing well locations be in accordance with the provisions of Order No. 407-1.

It is further requested that all wells drilled, or to be drilled on the above-described area be authorized for dual completion as to both oil and gas in both or either the Codell and Niobrara formations, and where there is no difference in ownership between said formations, authorized for downhole commingling of production.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

DATE: Monday, August 20, 1984  
TIME: 9:00 a.m.  
PLACE: Suite 380, Logan Tower Building, 1580 Logan Street, Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operations of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application should file with the Commission a written protest no later than August 15, 1984, briefly stating the basis of the protest, and such interested party shall, at the same time, serve or mail a copy of the protest to the person filing the application.
