## NOTICE OF HEARING BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO CAUSE NO. 232

IN THE MATTER OF THE PROMULGATION AND ESTABLISHMENT OF FIELD RULES TO GOVERN OPERATIONS IN THE WATTENBERG GAS SPACED AREA, WELD COUNTY, COLORADO TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

On November 17, 1970, the Commission issued Order No. 232-1 which established 220-acre drilling and spacing units for the production of gas and associated hydrocarbons from the "J" Sand underlying the Wattenberg Gas Spaced Area in Weld County, Colorado. The units consist of the E $\frac{1}{4}$  and W $\frac{1}{4}$  or the N $\frac{1}{4}$  and S $\frac{1}{4}$  of each section. Subsequent orders added additional lands to the spaced area and by Order Nos. 232-20 and 232-23 an additional well is allowed to be drilled on each 220-acre unit.

On November 12, 1982, Macey & Mershon Oil, Inc., by its attorneys, filed with the Commission two (2) applications for an order pooling all interests in the drilling and spacing unit consisting of the N $\frac{1}{4}$  Section 2, Township 1 North, Range 65 West, 6th P.M., and the drilling and spacing unit consisting of the N $\frac{1}{4}$  Section 4, Township 1 South, Range 66 West, 6th P.M., for the development and operation of the "J" Sand underlying said units and the production of gas and associated hydrocarbons from such units, pursuant to 34-60-116 C.R.S. 1973, as amended.

NOTICE IS HEREBY GIVEN, THAT THE Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

DATE: Monday, December 20, 1982  
TIME: 9:00 a.m.

PLACE: Room 110, State Centennial Building, 1313 Sherman Street, Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operation of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application should file with the Commission a written protest no later than December 15, 1982, briefly stating the basis of the protest, and such interested party shall, at the same time, serve or mail a copy of the protest to the person filing the application.

IN THE NAME OF THE STATE OF COLORADO.

OIL AND GAS  
CONSERVATION COMMISSION  
OF THE STATE  
OF COLORADO
