NOTICE OF HEARING BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO CAUSE NO. 232

IN THE MATTER OF THE PROMULGATION AND ESTABLISHMENT OF FIELD RULES TO GOVERN OPERATIONS IN THE WATTENBERG GAS SPACED AREA, WELD COUNTY, COLORADO

TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

On November 17, 1970, the Commission issued Order No. 232-1 which established 320-acre drilling and spacing units for the production of gas and associated hydrocarbons from the "J" Sand underlying lands in the Wattenberg Gas Spaced Area, Weld County, Colorado. The units consist of the E1/2 and W1/2 or the N1/2 and S1/2 of each section according to the governmental survey, with the permitted well located in the SW1/4 and NE1/4 of each section. Subsequent orders extended the limits of the spaced area and allowed an additional well to be drilled on each 320-acre unit.

On July 11, 1985, Amoco Production Co., filed with the Commission a verified application for an order extending the limits of the spaced area as established by the orders in Cause No. 232, by the addition of the following described land in Weld County, Colorado, to-wit:

Township 5 North,
Range 65 West, 6th P.M.
Section 13: W1/2
Section 14: All
Section 15: S1/2

and further that such lands be made subject to the spacing provisions of the orders in Cause No. 232. Well No. 1 Hop, located in the NW1/4SW1/4 of said Section 13 and Well No. 1 Roth, located in the SE1/4NW1/4 of said Section 14, should be considered exceptions and be the permitted wells for the units upon which they are located.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

DATE: Monday, August 19, 1985

TIME: 9:00 a.m.

PLACE: Room 110, State Centennial Building, 1313 Sherman Street, Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operations of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application should file with the Commission a written protest no later than August 14, 1985, briefly stating the basis of the protest, and such interested party shall, at the same time, serve or mail a copy of the protest to the person filing the application.

IN THE NAME OF THE STATE OF COLORADO.
