**NOTICE OF HEARING  
 BEFORE THE OIL AND GAS  
 CONSERVATION COMMISSION OF  
 THE STATE OF COLORADO  
 CAUSE NO. 232**

IN THE MATTER OF THE PROMULGATION AND ESTABLISHMENT OF FIELD RULES TO GOVERN OPERATIONS IN THE WATTENBERG GAS SPACED AREA, ADAMS COUNTY, COLORADO TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

On November 17, 1970, the Commission authorized Order No. 232-1 to be issued by which 320-acre drilling and spacing units were established for production of gas and associated hydrocarbons from the "J" Sand underlying certain lands in Adams and Weld Counties, Colorado. The spaced area was extended by subsequent orders. By Order Nos. 232-20 and 232-23, the Commission allowed an additional well to be drilled on each 320-acre unit, thereby allowing a well to be located on each quarter section of the unit, no closer than 990 feet to the boundaries of the quarter section.

On June 23, 1987, Cimmaron Oil Company, Inc., by its attorneys, filed with the Commission a verified application for an order allowing a third well to be drilled for the production

of gas and associated hydrocarbons from the "J" Sand on the following described drilling and spacing unit in the Wattenberg Spaced Area, Adams County, Colorado.

Township 1 South,  
 Range 65 West, 8th P.M.  
 Section 4: S1/2

It is further requested that the three wells on said unit be located as follows: One well at a location 990 feet FWL and 1090 feet FSL, the second 1980 feet FWL and 1980 feet FSL and the third at a location in the SE1/4 no closer than 990 feet from the boundaries of the SE1/4, all in Section 4, Township 1 South, Range 65 West 8th P.M.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

DATE: Monday, July 20, 1987

TIME: 9:00 a.m.

PLACE: Room 110, State Centennial Building, 1313 Sherman Street, Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operations of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application or to intervene should file with the Commission a written protest or a notice to intervene no later than July 15, 1987, briefly stating the basis of the protest or intervention. Such interested party shall, at the same time, serve a copy of the protest or notice to intervene to the person filing the application. A fee of forty-five dollars (\$45.00) shall accompany each document filed with the Commission.

IN THE NAME OF THE STATE OF COLORADO.
