**BEFORE THE OIL AND GAS CONSERVATION
COMMISSION OF THE STATE OF COLORADO**

IN THE MATTER OF THE PROMULGATION) CAUSE NO. 232
AND ESTABLISHMENT OF FIELD RULES)
TO GOVERN OPERATIONS IN THE WATTENBERG)
FIELD, WELD COUNTY, COLORADO)

NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

In Cause No. 232 the Commission has issued orders establishing
320-acre drilling and spacing units for the production of gas and associat-
ed hydrocarbons from the "J" Sand formation underlying certain lands in
Weld, Adams and Boulder Counties, Colorado including Section 3,
Township 3 North, Range 66 West, 6th P.M., Weld County, Colorado.
The units shall consist of the E1/2 and W1/2 or the N1/2 and S1/2 of a
governmental section with the designated well to be located in the NE1/4
and SW1/4 no closer than 990 feet from the outer boundaries of the unit.
In addition, by Order No. 232-20 the Commission determined that 160-
acre drilling and spacing units are not less than the maximum area that
can be efficiently, economically and effectively drained by a single well
and authorized the drilling of a second well on the undrilled quarter sec-
tion.

On April 19, 1990, Tower Energy Corporation, by its attorney, filed
with the Commission a verified application for an order segregating the
320-acre drilling and spacing unit consisting of the N1/2 of Section 3,
Township 3 North, Range 65 West, 6th P.M., Weld County, Colorado into
two 160-acre units consisting of the NW1/4 and the NE1/4 of said Section
3 for the production of gas and associated hydrocarbons from the "J"
Sand formation underlying such units. No wells have been completed for
production from the "J" Sand formation in the N1/2 of said Section 3.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation
Commission of the State of Colorado, pursuant to the above, has sched-
uled the above-entitled matter for hearing on:

Date: Friday, June 15, 1990
Time: 8:30 a.m.
Place: Room 101, State Education Building
201 East Colfax Avenue
Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and
place aforesaid, or at any adjourned meeting, the Commission will enter
such orders as it deems appropriate to prevent the waste of oil and gas,
either or both, in the operations of said field, and to carry out the purpos-
es of the statute.

Any interested party desiring to protest the granting of the application
or to intervene should file with the Commission a written protest or a
notice to intervene no later than June 11, 1990, briefly stating the basis of
the protest or intervention. Such interested party shall, at the same time,
serve a copy of the protest or notice to intervene to the person filing the
application. A fee of forty-five dollars (\$45.00) shall accompany each docu-
ment filed with the Commission.
