STATE OF COLORADO

ss.

County of Weld,

BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO

IN THE MATTER OF THE PROMULGATION) CAUSE NO. 232
AND ESTABLISHMENT OF FIELD RULES TO) DOCKET NO. 6-5
GOVERN OPERATIONS IN THE WATTENBERG)
FIELD, WELD COUNTY, COLORADO)

NOTICE OF HEARING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On November 17, 1970, the Commission issued Order No. 232-1 which established 320-acre drilling and spacing units for the production of gas and associated hydrocarbons from the "J" Sand formation underlying certain lands in the Wattenberg Field. The units consist of the E1/2 and W1/2 or the N1/2 and S1/2 of each section according to the governmental survey with the permitted well to be located in the SW1/4 and NE1/4 of each section. Subsequent orders extended the limits of the spaced area and allowed an additional well to be drilled on the 320-acre units, including the S1/2 of Section 22, Township 5 North, Range 67 West, 6th P.M., which has been designated a unit.

On April 1, 1991, DJ Energy, Inc. and Timothy J. Pivonka, by their attorney, filed with the Commission a verified application for an order to segregate the S1/2 of Section 22, Township 5 North, Range 67 West, 6th P.M., into two 160-acre drilling and spacing units, consisting of the SE1/4 and the SW1/4 of said Section 22, for the production of gas and associated hydrocarbons from the "J" Sand formation underlying said unit.

DJ Energy, Inc. is currently the operator of the Hankins No. 2 Well located in the SW1/4 SE1/4 of said Section 22. To the best of the applicants' knowledge, proceeds of production from the Well have always been paid as if the 160-acre tract consisting of the SE1/4 was the drilling and spacing unit for production from the "J" Sand formation.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled the above-entitled matter for hearing on:

Date: Monday, May 20, 1991
Time: 8:30 a.m.
Place: Room 101, State Education Building
201 East Colfax Avenue
Denver, Colorado 80203

Pursuant to said hearing in the above-entitled matter at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operations of said field, and to carry out the purposes of the statute.

Any interested party desiring to protest the granting of the application or to intervene should file with the Commission a written protest or a notice to intervene no later than May 14, 1991, briefly stating the basis of the protest or intervention. Such interested party shall, at the same time, serve a copy of the protest or notice to intervene to the person filing the application. A fee of forty-five dollars (\$45.00) shall accompany each document filed with the Commission.
