On July 11, 1958, B. F. Allison, Tokay Oil Company, Ramona Oil Corporation, and J. M. Loffland, Jr., on behalf of himself and all other interested parties, filed with the Commission an application for an order approving a certain "Unitization Agreement for the Development and Operation of the 'D' Sand Reservoir Unit Area, Fort Morgan Field, Morgan County, Colorado"; and for an order permitting the reinjection of gas into said sand reservoir; and for an order permitting the re-cycling of gas into and from said sand reservoir. The area covered by such agreement is as follows, to-wit:
Township 3 North, Range 57 West, 6th P. M.
Section 19: SW 1/4 Section 30: W 1/4

Township 3 North, Range 58 West, 6th P. M.

On November 26, 1954, the Commission issued its Order No. 49-1 in Cause No. 49, establishing drilling and spacing units and field limits for the Fort Morgan Field. Applicant states that subsequent development of this field indicates that the "D" sand, common source of supply underlying the above described lands, can reasonably be expected to produce oil and gas therefrom, and that the field limits should be redefined to coincide with the Unit Area as defined above.
NOTICE IS HEREBY GIVEN that The Oil and Gas Conservation Commission of the State of Colorado, pursuant to said application, has set the above entitled matter down for hearing on:
DATE: Tuesday, August 26, 1958
TIME: 10:00 a.m.
PLACE: Game Room, Albany Hotel
17th and Stout Streets
Denver, Colorado
Pursuant to said hearing in the above entitled matter, at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operation of said field, and to carry out the purposes of the statute.
