COLORADO)

NOTICE OF HEARING
TO ALL INTERESTED PER-
SONS AND TO WHOM IT MAY
CONCERN:

On July 22, 1954, the Commis-
sion issued its Order No. 39-1,
which, among other things, es-
tablished 40-acre drilling and
spacing units for the production
of oil and gas from the "D" Sand
formation underlying the West-
plains Field, Logan County,
Colorado.

NOTICE IS HEREBY GIVEN,
that the Oil and Gas Conservation
Commission of the State of Colo-
rado, on its own motion, has set
the above-entitled matter for
hearing on:

DATE: Tuesday, April 20,
1971

TIME: 9 a.m.
PLACE: Room 132, State
Services Building, 1525 Sherman
Street, Denver, Colorado 80203

Due to the present status of
said Westplains Field, in which
there is only one remaining mar-
ginal producer, that is presently
shut-in, and in order to promote
future drilling, the Commission
has instituted this proceeding to
consider the vacating of said or-
der in this cause, and substitut-
ing in lieu thereof the provisions
of the general rules and regula-
tions of this Commission.

Any operators and owners of
working interests, and any person
interested in said Westplains
Field, are hereby requested to
appear at the above-scheduled
hearing and show cause, if any
they have, why the Commission
should not vacate the order pre-
viously issued by the Commission
in Cause No. 39, Westplains Field.

Pursuant to said hearing in the
above-entitled matter, at the time
and place aforesaid, or at any
adjourned meeting, the Commis-
sion will enter such orders as it
deems appropriate to prevent
the waste of oil and gas, either
or both, in the operation of the
Westplains Field, and to carry
out the purposes of the statute.
