NOTICE OF HEARING
BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO
CAUSE NO. 30
IN THE MATTER OF THE INVESTIGATION TO TAKE MEASURES TO PREVENT WASTE OF OIL AND GAS IN THE "D" AND "J" SANDS OF THE LITTLE BEAVER FIELD IN WASHINGTON AND ADAMS COUNTIES, COLORADO.

TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:
On June 20, 1955, a hearing was held on the application of the Triangle "J" Oil Company and the Denver Basin Oil Company, for an order amending Order No. 30-6 in Cause No. 30, Little Beaver Field, to increase the allowance of gas produced from gas wells only, from the "J" sand formation of the Little Beaver Field, Washington and Adams Counties, Colorado.

NOTICE IS HEREBY GIVEN, that The Oil and Gas Conservation Commission of the State of Colorado, upon its own motion, has set the above entitled matter down for further hearing on:
DATE: Wednesday, July 13, 1955
TIME: 10:00 a.m.
PLACE: 330 State Office Building, Colfax Avenue and Sherman Street, Denver, Colorado

During the hearing held on the 20th day of June, 1955, the Commission received testimony which indicates that a market is now available for gas produced from the "J" sand of the Little Beaver Field, and that it is now necessary to review the provisions of its Order No. 30-6, issued the 12th day of January, 1955, which order provides, in part, that each well producing from the "J" sand of the Little Beaver Field shall not exceed a daily average of One Hundred Twenty-five (125) barrels of oil, and/or One Hundred Fifty Thousand (150,000) cubic feet of gas. The Commission has instituted this proceeding to promulgate new rules and regulations in accordance with the Colorado Oil and Gas Conservation Act of 1951, as amended, for the prevention of waste of oil and gas; and to do whatever else may be considered proper and within the powers of this Commission to carry out the purposes of said statute in respect to the "J" sand reservoir of the Little Beaver Field, Washington and Adams Counties, Colorado.

The operators in said "J" sand reservoir are hereby requested to submit at the hearing, in written form, a recommended set of such new rules and regulations, and to present the reasons therefor; and, further, to present a map showing assigned acreage for gas well drilling and spacing units.

It is suggested that operators confer with each other so that such data as is hereby sought may be available and presented with respect to the field as a whole, rather than with respect to particular leases producing therefrom.

Pursuant to said hearing in the above entitled matter, at the time and place aforesaid, or at any adjourned meeting, the Commission will enter such orders as it deems appropriate to accomplish the purposes hereof.

IN THE NAME OF THE STATE OF COLORADO.
