NOTICE OF HEARING TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, on its own motion, has set the above entitled matter for hearing on:

DATE: Tuesday, June 20, 1961
TIME: 10 a. m.
PLACE: Room 320C, State Capitol, Denver, Colorado

The Commission has instituted this proceeding to consider the modification of Order No. 66 - 4 by elimination of the following rule:

"Rule 3. That datum reservoir pressure of certain key wells in the field shall be determined semi-annually during the first fifteen (15) days of January and July; and that the key wells shall be selected by the operators with the approval of the Commission; and that the results of each such semi-annual test shall be reported by the operator to the Commission on or before the twenty-fifth (25th) day of each test month; and that all pressure determinations shall be made at a datum of Nine Hundred Fifty (950) feet below sea level; and that all wells in the field shall be shut in twenty-four (24) hours prior to testing and shall remain shut in until completion of the survey."

All operators and owners of working interests, and all persons interested in said area, are hereby requested to appear at the hearing as set forth above, and to show cause, if any they have, why the Commission should not modify said Order No. 66 - 4 by eliminating the above - quoted Rule 3.
