CONSERVATION COMMISSION

### NOTICE OF HEARING BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO

CAUSE NO. 66

IN THE MATTER OF THE INVESTIGATION TO TAKE MEASURES TO PREVENT WASTE OF OIL AND GAS IN THE "D" SAND OF THE CLIFF FIELD, LOGAN COUNTY, COLORADO.

TO ALL INTERESTED PERSONS AND TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN, that The Oil and Gas Conservation Commission of the State of Colorado, on its own motion, has set the above entitled matter for hearing on:

DATE: Tuesday, February 20, 1962

TIME: 10 a.m.

PLACE: Room 132, State Services Building, 1525 Sherman Street, Denver, Colorado.

The Commission has instituted this proceeding to consider further modification of Order No. 66-4 by amending Rule 2(a) of said order to read as follows:

"Operators and owners of wells producing from the 'D' sand formation of the Cliff Field shall make semi-annual gas-oil-ratio tests of each of his producing wells, and such tests shall be taken during the first fifteen (15) days of the months of March and September of each year; and the results of such tests shall be submitted to the Commission on or before the 25th day of the month of testing. Each well shall be produced at its normal stabilized rate for a period of forty-eight (48) consecutive hours, and the gas-oil ratio shall be computed on the basis of the measurement of oil and gas during the last twenty-four (24) hours of said 48-hour period. A schedule shall be submitted to the office of the Commission and offset operators prior to testing, showing the wells and respective dates of tests. The volume of gas measured shall be reported in units of cubic feet at a base pressure of 15.025 psia, and a base temperature of 60° Fahrenheit."

All operators and owners of working interests, and all persons interested in said area, are hereby requested to appear at the above-scheduled hearing, and to show cause, if any they have, why the Commission should not so modify Order No. 66-4 by amending said Rule 2(a) as set forth above.

Pursuant to said hearing in the above entitled matter, at the time and place aforesaid, or at any adjourned meeting, the Commission

will enter such orders as it deems appropriate to prevent the waste of oil and gas, either or both, in the operation of said field, and to carry out the purposes of the statute.
