ZISCH 3D-6H-M368	346' FROM SOUTH LINE AND 635' FROM WEST LINE
SECTION 6, TOWNSHIP 3 NORTH, RANGE 68 WEST OF THE 6 <sup>TH</sup> P.M. WELD COUNTY, COLORADO	

Dear Deborah Zisch:

Encana Oil & Gas (USA) Inc. ("Encana") staked the above mentioned wells at surface locations as noted above (see attached Well Location Certificate). These wells are being drilled under the rules and regulations of the Colorado Oil and Gas Conservation Commission's ("COGCC") Rule 318A(I) known as the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule (Except the City and County of Broomfield). This rule states that all boundary infill wells be drilled from the same surface locations as previously designated in Rule 318A(I).a.(1) which reads:

"The Greater Wattenberg Area ("GWA") is defined to include those lands from and including Townships 2 South to 7 North and Ranges 61 West to 69 West, 6<sup>th</sup> P.M. In the GWA, operators may utilize the following described surface drilling locations ("GWA windows") to drill, twin, deepen, or recomplate a well ("GWA well") and to commingle any or all of the Cretaceous Age formations from the base of the Dakota Formation to the surface:

- (1) A square with sides four hundred (400) feet in length, the center of which is the center of any governmental quarter-quarter section ("400' window");

The wells were staked at a location south of the defined 400' window. As this location was staked with your consent and approval, Encana respectfully requests your consent to an exception location for the; ZISCH 23-6-M368, ZISCH 3A-6H-M368, ZISCH 3B-6H-M368, ZISCH 3C-6H-M368, and ZISCH 3D-6H-M368 wells by waiver of the COGCC Rule 318A(I).a (1).

If this meets with your approval, please sign and date both originals of this letter, keeping one for your files and returning one to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please call the undersigned at (720) 369-0432.

Respectfully,

Encana Oil & Gas (USA) Inc.
