ORIGINAL

SUMMARY OF RULE 511 TESTIMONY

Rule 511 Testimony was filed in this matter, as follows:

G. Walter Lunsford filed Land Testimony, including five exhibits:

1. Well location certificates for the five wells to be drilled in the drilling unit.
2. A list of all owners of oil and gas interests in the tracts to be pooled.
3. A sample of the offer to participate letter sent to working interest and unleased mineral owners.
4. Copies of the AFEs for the five wells that were appended to the offer letters.
5. A sample of the offer to lease under reasonable and customary terms.

Mr. Lunsford concluded that all interest owners were properly notified of the Application and hearing; that all required parties received appropriate offer letters pursuant to Rule 530 at least 30 days prior to the hearing on this matter; that HRM Resources LLC has been unable to obtain a lease or other agreement to participate in the wells from one or more nonconsenting parties; and, that, as of the date of his Rule 511 testimony, no protest or objection to the Application had been received.

The undersigned hereby swears and affirms that the foregoing is an accurate summary of the written statement of G. Walter Lunsford, along with its supporting exhibits, which summary and statements provide sufficient facts to support approval of the Application.
