MSH FARMS 12-15 and MSH FARMS 13-15 Wells

Dear Mr. Lepore:

Bayswater Exploration & Production, LLC (Bayswater) is planning to drill the above referenced wells to the Codell/Niobrara formations.

The surface locations of Bayswater's proposed wells have been staked outside of the COGCC Rule 318A.a. GWA Drilling Window are being permitted as exception locations. Bayswater has obtained written permission from the surface owner by way of a signed waiver.

Bayswater respectfully requests the COGCC review the enclosed information and approve the requested exception location waiver and Application for Permit to drill for the subject wells. Many thanks.

Respectfully,
