This report should replace an earlier report filed on 6/4/13 which had an incorrect Facility ID #. The earlier report used ID 219041 instead of 257873.

Update of facility status, should be changed to closed. Earthen production pit was closed by previous operator but sundry report was not filed. Records of this pit closure are contained oth other pits at Springdale closed at the same time per conversation with John Axelson.
