Re: Change of Operator Designation
SingleTree Resources, Inc. to Brown Oil & Gas LLC

RE: All Colorado Operated Properties

Dear Mr. Brown:

Please use this letter as an official document for the Form 10 change of operator designation for the Colorado Oil and Gas Commission. By signing this document you are agreeing that Brown Oil & Gas, LLC, will now operate all properties in Colorado previously operated by SingleTree Resources.

SingleTree will handle the change of operator designation forms within the COGCC. This change is the official agreement for change of operator between our companies.

Sincerely,

Change will be effective as of June 1, 2013. Please sign below and return to me and we will use this as the official agreement for change of operator between our companies.

6/1/2013

Mark Brown,
President, Brown Oil & Gas, LLC
