RE: COGCC Inspection Document #663801069

Location #335849, 604-44 Pad

Pits: Item indicates a violation for no netting or flags over pit. There is no pit or pond located at location #335849, the 604-44 pad. This item is actually for Pond #3 located at the 604-41-32 pad, location #335902, and this was confirmed in a phone conversation with Mike Longworth.
