**APPROVAL OF SURFACE DISTURBING ACTIVITIES
OIL AND GAS LEASE NO. 1358.11
Wood Gulch 1-36 Well Pad Location**

Lane,

SWEPI LP is planning on drilling a well named the Wood Gulch 1-36, located in Section 36, Township 4 North, Range 92 West, Moffat County, Colorado. The referenced lease requires the District Manager's approval prior to surface occupancy. SWEPI LP, hereby requests your written approval to expand the existing pad as shown on the attached plat(s). You have previously been provided copies of the well plans and surveying information concerning the access road and pad location.

Please signify your approval by signing in the space below and returning one original to my attention at the letterhead address. If you would also scan and e-mail an original it would be greatly appreciated.

Should you have any question please call or e-mail.

Thank you in advance for your assistance on this approval.
