RE: Well Location from lease line

Thank you for your comments regarding the well location being 276 feet from the lease line.

Please let this memo show we are working on the required Communitization Agreement & Pooling Declaration to meet the requirements.

Recently, I have spoken with Larry Coler, COGCC Permit Technician and Rodney Jones at the State of Colorado State Board of Land Commissioners regarding a Communitization Agreement that should meet the requirements for Rule 318a.

We are hopeful to have the Communitization Agreement in place the week of July 1 – 5, 2013.

Thank you,
Yalonda Loftis
