

OXY USA Inc., Operator 66561

Ziegal 7-1 SWD, Facility #159172

The Form 42 for the subsequent MIT is being submitted 7/24/2013 and the earliest the test could take place is 7/29/2013, which does not meet the 10-day notification requirement. Ken McKinney has discussed the subsequent MIT with the COGCC inspector and they are in agreement with the proposed dates of the subsequent MIT.
