**RE: COGCC Rule 318A.a.: Exception Location Request
Staley 10-7, Staley 25-7 wells
NESW Section 7, Township 6 North, Range 67 west
Weld County, Colorado**

Dear Mr. Lepore:

Bayswater Exploration & Production, LLC (Bayswater) is planning to drill the above referenced wells to the Codell/Niobrara formations.

The surface locations of Bayswater's proposed wells have been staked outside of the COGCC Rule 318A.a. GWA Drilling Window and are being permitted as exception locations. Bayswater has provided 30 day notification to the surface owner via certified/return receipt mail.

Bayswater respectfully requests the COGCC review the enclosed information and approve the requested exception location waiver and Application for Permit to drill for the subject wells. Many thanks.

Respectfully,

A handwritten signature in blue ink that reads "DeAnne M. Spector".
