SECTION 11, **T14S R45W, 6th P.M.**

Dear Ms. Cullens,

This letter shall serve as notification that Resource Development Technology LLC is applying to the Colorado Oil and Gas Conservation Commission (COGCC) for permission to drill the above referenced well. The intent is to commence drilling operations at an approved location on such lands as soon as possible, subject to financing, approval of title, rig availability and receipt of required permits.

Resource Development Technology LLC, PO Box 1020, Morrison, CO 80465, will be the operator of the well and you may contact us at 303 716-3200 concerning operations. In addition to this waiver notification you will find enclosed the following documents:

- COGCC application forms 2 and 2A
- Location Map and Survey
- Proposed Site Location Photos
- Surface Damage Agreement and Release

By execution of this letter Cheyenne County hereby waives any notification periods required by the COGCC and Cheyenne County approves the drilling of the xxx well.

This Agreement and Waiver is executed this _____ day of _____, 2013, to be effective the date first above written.
