**RE: Water Well Access
Permit Number 168615 – Aaron and Sharon Taylor (VOLUNTARY PROGRAM)
Baseline Domestic Water Well Sampling for the Waters 34-12-32-1H Well
La Plata County, Colorado**

Dear Mr. Redweik:

A domestic water well (Colorado Department of Natural Resources Permit Number 168615) owned by Aaron and Sharon Taylor was identified as a water source in the Swift Energy Operating, LLC (Swift) Voluntary Baseline Domestic Water Well Sampling and Monitoring Program in association with the Waters 34-12-32-1H well. LT Environmental, Inc. (LTE) tried to obtain access to the property located at 4432 County Road 124, Hesperus Colorado 81326 by mailing a postcard to the above address, calling two different phone numbers listed under Mr. Aaron Taylor's name each day from August 1, 2013 to August 6, 2012, and knocking on the door of the residence and leaving a letter requesting a response by August 9, 2013 or forfeiture of baseline sampling at their well. LTE did not receive a response by the landowners, and as a result did not sample this well. If you have any questions concerning this water well, please call LTE at 970-385-1096.

Sincerely,
LT ENVIRONMENTAL, INC.
