Permit	Operator revised form interim complete to final reclamaltion started. per J. Niernberger	6/25/2013 11:02:13 AM
Permit	This well was plugged less than 2 weeks from when it was spud. This form should be for final reclamation to start. Operator has not provided clarification.	6/25/2013 8:24:27 AM
Permit	This well appears to be plugged. Is this really interim reclamation? Interim reclamation requires statements regarding recontouring, compaction alleviation, seed mix, stabilization of unreclaimed areas, four photos of documenting total cover. They need to be attached to this form. Requested operator clarification.	5/10/2013 1:24:17 PM
