**COMMENTS**

Water well permit #142327 is not an existing well per landowner verification. Ken Swan, son of Wesley Swan, verbally stated that there are no water wells in that location per his knowledge. Two water wells, permit #88540 and an unregistered water well (which has the potential to be registered as #142327, but landowner does not have written documentation) were sampled and are located  $\pm 2,889'$  NE and  $\pm 2,653'$  NE, respectively. No other water sources are available within a one-half mile radius of the proposed location. The nearby creek is dry.
