Dear Postle Properties III, LLC:

Great Western Oil and Gas Company ("GWOG") plans to drill the above oil and gas wells from the above described surface location.

Rule 318(l)Ac(2) of the Colorado Oil and Gas Conservation Commission ("COGCC") Rules and Regulations requiring that the wells drilled greater than fifty (50) feet from a well (unless safety or mechanical considerations of the well to be twinned or topographical or surface constraints justify a location greater than fifty (50) feet) the operator shall provide a consent to the exception signed by the surface owner on which the well is proposed to be located in order for the director to approve the well location administratively.

Please waive this requirement showing your approval of the new wells being drilled at the location referenced above.

Therefore, please evidence your request to waive ("COGCC") Rule 318(l)Ac(2) by signing below. If you have any questions regarding this matter, please contact Gary P. Steele at (720) 494-1390 or (970) 686-8831.

Sincerely,
Gary P. Steele
