The undersigned, hereinafter referred to as "Customer" agrees to pay to PRECISION ENERGY SERVICES for the service(s) specified below (including leased equipment) and any additional service(s) requested, in the currency of the United States of America, at the offices of PRECISION ENERGY SERVICES in accordance with the applicable provisions of PRECISION ENERGY SERVICES' current price schedule. In consideration of the process set out in PRECISION ENERGY SERVICES' current price schedule, the Customer elects to be bound by the terms and conditions set out on the reverse side hereof, including the assumption by Customer of the liabilities and responsibilities contained in the indemnity, hold harmless and exculpatory clauses, rather than enter into a separate contract and furnish PRECISION ENERGY SERVICES with insurance coverage against the liabilities herein assumed by Customer. If this document is executed by an agent on behalf of the Customer, said agent represents that he has full authority from his principal, the Customer, to execute the same. In the absence of such authority, the party executing this document agrees that he shall be obligated hereunder as Customer. All amounts are subject to the final Accounts Receivable Computer System verification.
