Dear Director:

Under the Revised Rule 318A.c. of the Colorado Oil and Gas Conservation Commission's Rules and Regulations, it requires any new twinning well to be located within 50 feet of an existing well. The above-named wells are planned to be more than 50 feet from the nearest oil and gas well.

Encana has obtained written permission from the surface owner for this waiver. Should you have any questions, please contact me at 720-876-5586. Thank you for your assistance in this matter.

Sincerely,  
Encana Oil & Gas (USA) Inc.
