Minch 4-6-4 Surface Location- 1627' From South Line and 453' From West Line  
Section 4, T 3N, R 68W  
Weld County, Colorado

Dear Mr. & Mrs. Minch:

Encana Oil & Gas (USA) Inc. ("Encana") staked the above mentioned wells at surface locations as indicated above (see attached Well Location Certificates for each well). These wells are being drilled under the rules and regulations of the Colorado Oil and Gas Conservation Commission's (COGCC") Rule 318A(I), known as the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule (Except the City and County of Broomfield). Rule 318A(I).c.(2) states:

"When the operator is requesting a surface well location greater than fifty (50) feet from a well (unless safety or mechanical considerations of the well to be twinned or topographical or surface constraints justify a location greater than fifty (50) feet), the operator shall provide a consent to the exception signed by the surface owner on which the well is proposed to be located in order for the Director to approve the well location administratively."

The wells were staked at locations greater than 50' northeast of the following permitted wells: Minch 13-4, Minch 4-6-4, Minch 4-4-4, Minch 23-4, and Minch 33-4 associated with the same drilling window. As these locations were staked with your consent and approval, Encana respectfully requests your consent to an exception location for Minch 13-4, Minch 2-4-4, Minch 4-4-4, Minch 0-4-4, Minch 23-4, Minch 0-5-4, Minch 4-5-4, Minch 0-6-4, and Minch 4-6-4 wells by waiver of the COGCC Rule 318A(I).c.(1).

If this meets with your approval, please sign and date both originals of the letter, keeping one for your files and returning one to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please contact the undersigned at (720) 369-0432.

Respectfully,  
Encana Oil & Gas (USA) Inc.
