Subject: RE: Oscar Wyatt and the SWD Well

Dear Morgan:

Your statement is correct that I approved the spreading of the drill cuttings from the AHU Wyatt 25-43 well on the site on behalf of the surface owner. Should you need anything further, please let me know.

Don Nelson

Attorney of Oscar S. Wyatt, Jr.

Subject: FW: Oscar Wyatt and the SWD Well

Mr. Nelson,

Our compliance department is requesting written confirmation of our discussion regarding the AHU Wyatt 25-43 SWD Drill Cuttings. Would you please, by return e-mail, confirm that the following is correct:

On Thursday, October 10th, 2013, I called Mr. Don Nelson, surface owner Oscar Wyatt's attorney, and informed him that we had received verbal consent from Davy Brooks, Ranch Manager, to spread the drill cuttings from the AHU Wyatt 25-43 SWD on site. Mr. Nelson informed me that as long as this was okay with Mr. Brooks, it was okay with him.

Please give me a call should you have any questions.

Thank you for your assistance in this matter.

Very truly yours,

Morgan J. Connor
