Cynthia,

What do you want me to do? You sent no waiver form for me to sign. Weld County has no concern for waiving the notice period on plugging these wells.

Hello again,

Carrizo Oil and Gas respectfully requests your approval in waiving the 20 day comment period to plug the Durland Trust #1 in or to plug our O'Hare 1-5-10-57 well. Fracing operations have seized at this time due to offset wells requiring plugs.

This well will not be used as a production well.

Durland Trust #1 – 10N 57W Sec 5, 660' FSL & 1980' FWL (05-123-05006)

Your help is greatly appreciated.

Thank you,
