RE: Termination of Agreement Between the  
Town of LaSalle and Eddy Oil Company

Dear Mr. Schuessler:

This firm represents the Town of LaSalle, a Colorado Municipality. It is my understanding that Eddy Oil Company sold the Moody Well, which is the subject of the enclosed License Agreement between the Town of LaSalle and Eddy Oil Company dated March 1, 1984 and amended October 11, 1988 ("agreement"), to Bayswater Exploration & Production LLC (20%) and Bayswater Blenheim Holdings II, LLC (80%). This letter shall serve as termination of said agreement. The termination shall be effective December 31, 2013. The agreement requires 30 days' notice for the termination of the agreement, and, of course, this notice is given well over the number of days required for termination of the agreement.

Please call me if you have any questions.

Sincerely,

Bradley D. Laue
