Ehmke #1 – API 05-123-05797  
Weld County, CO, 10N 59W Sec 6, 660' FNL & 660' FWL

Director Lepore,

Carrizo (Niobrara) LLC is requesting that the COGCC waive the 20 day waiting period on the Ehmke #1 Form 2 Doc 400508297 due to exigent circumstances per Rule 303.i.(2). This well is being reentered with the specific purpose to adequately P&A this well. This well will not be used as a production well. Carrizo has delayed the fracture stimulations of our offset horizontal well for approximately 30 days. Please feel free to contact me if you have any questions or concerns.

Best regards,

Fred Miller
