RE: Rule 502.b. Variance Request from COGCC Rule 305.c
Dreyer #1
NWSE Sec 31-T1N-R65W
Weld County, CO

Dear Director Lepore:

Encana Oil & Gas (USA) Inc. would like to request a Rule 502.b Variance from Rule 305.c to waive the 20-day comment period for the approval of Re-Entry Form 2, Document #400503143, for the Dreyer 1 in Section 31 T1N-R65W, API 05-123-8551.

The purpose of re-entry to the Dreyer 1 is to adequately re-plug the well to allow completions of the horizontal offsets on the Lochbouie lease. The waiver of the 20-day comment period is requested in order to move forward with the horizontal drilling program.

Sincerely,
Encana Oil & Gas (USA) Inc.

A handwritten signature in black ink, appearing to read "B. Lamond", is written over a horizontal line.
