RE: **Rule 318A.c. Surface Locations  
Spaur Bros.**

Township 7 North, Range 63 West, 6<sup>th</sup> P.M.  
Section 31: S2  
Weld County, Colorado

Dear Mr. Spaur:

The Colorado Oil and Gas Conservation Commission Rule 318A.c. (2) states that, "when an operator is requesting a surface well location greater than fifty feet (50') from a well. . .the operator shall provide a consent to the exception signed by the surface owner on which the well is proposed to be located in order for the Director to approve the well location administratively."

For safety and mechanical considerations, as well as surface constraints, Great Western is seeking from the COGCC an exception to this rule. Please indicate your consent to the COGCC waiving this requirement by signing below.

Respectfully,

Jeff Farquhar
