Hi Arthur,

Attached please find the revised map showing the water well in question. The landowner does not want us to test. I apologize this wasn't listed on the previous one.

Thanks,

Venessa,

After a review of the water well data available on the COGCC online map it appears that there is one well that was not addressed in the documentation. There is a well in the NWNE of section 28 6262W DWR permit # 122226. Please provide documentation for this well if it not going to be sampled.

Thanks,

Arthur
