Uintah Engineering and Land Surveying assumes no liability written or implied as to the location of pipelines or cable lines in the vicinity of this road design. Utility Notification Center of Colorado, (Public lines) and the owner of any transmission lines (Private/Corporate lines) must be contacted for identification and location before construction begins. Transmission lines that may be identified on these plans may not be the only transmission lines in the vicinity of the road. These plans are not intended to be used to identify the location of transmission lines. Extreme caution shall be used when constructing road near or over transmission lines.
