Re: Permission to Access your Surface Land
McWhinney-Van DeWater #1

Gentlemen:

The abandoned McWhinney-Van DeWater #1 well on your surface land needs to be re-entered and re-plugged. Because of the procedures listed above, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you of these operations and also to secure your agreement to the procedures.

If you have any questions, please let me know.

Very truly yours,
KERR MCGEE OIL AND GAS ONSHORE LP
