Good Morning,

It looks like there was 4284 feet of 4 ½ casing returned to the yard on April 12<sup>th</sup> 2013. I called my pipe yard and they are going to get the yard ticket and scan it in to me so you can have their documentation. Hopefully, that will work. Let me know if you need any other documentation. I do have the April report (Xcel Format) from them if you think that will be helpful.

Thanks,

Anna
