

## LAND USE AGREEMENT

I, Rick Moser (Name of Landowner), agree to allow  
Bill Barrett Corp. (Name of Operator) to apply water based bentonitic  
clay drilling mud and cuttings from State of Colorado (well lease) located in  
section 36 in township 15 and  
range 66 W in Adams County to use 70 acres  
of my property.

A description of the areas to be used as application sites are as follows:

Site No.	1/4 Section	Section	Township	Range	Available Acreage
		4	2N	65 W	70

I am aware that the land applicator is to apply water based bentonitic clay and cuttings according to the management plan developed and submitted by a registered professional engineer and as per guidelines and conditions set forth by the Colorado Oil And Gas Conservation Commission. In addition to these guidelines the following compensation and or services must be provided:

Operation Owner Signature/Date

Landowner Signature/Date
