James,

COGCC has assigned Remediation Project #8209 and Document #2147680 to the Remediation Workplan for the Oliver Warren #1 skim pits. Please reference these numbers in future correspondence. COGCC will approve the Form 27 with the following condition of approval;

Prior to initiating the assessment at the former pit, and prior to collection of final/clean confirmation samples from the excavation, provide 48 hour notice via email to the COGCC NE EPS, John Noto and COGCC Inspector Kym Schure.

Please call or email if you have questions or concerns.

Thank you,

John Noto

Cc: Remediation File #8209
