RE: Waiver of Rule 603.a.(2)
Mumby State 4A-36H-P266 Through 4H-36H-P266 Facilities/Battery Site.
Township 2 North, Range 66 West
Section 36: E ½ of the SE1/4
Weld County, Colorado

Dear : Peter and Lisa

Encana Oil & Gas (USA) Inc. ("Encana") has staked the Mumby State Facilities/ Battery site at a surface location 84 feet from the South Property line and 642 feet from the East Property line of Section 36, Township 2 North, Range 66 West (see attached survey plat). This well is being drilled under the rules and regulations of the Colorado Oil and Gas Conservation Commission's ("COGCC") Rule 603.a.(2) Statewide Location Requirements. This rule states:

- (2) The Mumby State Facilities/Battery Site shall be located not less than one hundred fifty (150) feet from a surface property line. The Director may grant an exception if it is not feasible for the Operator to meet this minimum distance requirement and a waiver is obtained from the offset Surface Owner(s). An exception request letter stating the reasons for the exception shall be submitted to the Director and accompanied by a signed waiver(s) from the offset Surface Owner(s). Such waiver shall be written and filed in the county clerk and recorder's office and with the Director.

The Mumby State Facilities/Battery Site was staked at a location eighty four feet (84') from your property line. Encana respectfully requests your consent to an exception location for this well by waiver of the COGCC Rule 603.a.(2).

If this meets with your approval, please sign and date both originals of this letter, keeping one for your files and returning one to the undersigned.

Thank you for your time and consideration in this matter. If you have any questions or comments, please contact the undersigned at 970-371-4190 or 303-774-3999.

Sincerely,
Encana Oil & Gas (USA) Inc.

Barney Hammond
Field Land Negotiator
