Dear Mr. Lepore:

Extraction Oil and Gas, LLC (Extraction) is planning to drill the above referenced horizontal wells.

The surface locations of Extraction's proposed wells have been staked outside of the COGCC Rule 318A.a. GWA Drilling Window and are being permitted as exception locations. Extraction has obtained written permission from the surface owner by way of a signed waiver.

Extraction respectfully requests the COGCC review the enclosed information and approve the requested exception location waiver and Application for Permit to Drill for the subject wells. Many thanks.

Respectfully,

Sonia Stephens
Regulatory Technician
Agent for Extraction Oil and Gas
