**Subject:** Sundry Notice 400579031,

Jake,

The following changes will need to be made the recently submitted Rule 609 Sundry Notices:

Document number 400579031 Change the number of exceptions from 1 to 4,

Document number 400579049 Change the number of exceptions from 1 to 4,

Document number 400579056 Change the number of exceptions from 1 to 4,

Document number 400579073 Change the number of exceptions from 1 to 3,

Document number 400579073 (Hanavan 1) will have the following condition of approval:

The Sundry is approved with the condition that a sample is collected from DWR permit # 7381-R when the well is brought online for the 2014 irrigation season. The well should then be used to collect samples for the subsequent samples as described in rule 609d(2). If access to the water well is lost the operator will be required submit a Sundry requesting an additional exception to rule 609.

I can make the changes to the Forms with you approval.

Thanks,

Arthur
