Hi Arthur,

It was confirmed by LTE that water well (permit #77594) does not exist. Please let me know if you need anything else for this well.

Thanks,

Julie,

Based on a review of DWR permit data available on the COGCC maps it appears that there is a water well (Permit # 77594) within the ½ mile radius of the oil and gas well. Please provide address the well either through a sample or documentation that the well does not exist in the location shown.

Thanks,

Arthur
